

SUPPORTING THE THEATER COMMUNITY

The ariZoni Theatre Awards of Excellence is a program that supports the theater community in Arizona. While best-known for our annual awards celebration; the organization also provides a forum to address common challenges and to encourage collaboration among the more than 35 community and professional theaters in the valley.

During the pandemic, ariZoni Theatre Awards of Excellence dipped into reserves to:

- ***Provide grants to area theaters and individual actors who needed help in the Pandemic.***
- ***Produce a virtual celebration to recognize artists.***

As a sponsor of the ariZoni Theatre Awards of Excellence you will be supporting the recognition of artistic excellence, celebrating the theater community and helping underwrite the awards for the event - all while gaining visibility for your business or theater.

This year our celebration will include an event FREE to everyone as well as a simpler, but respectful awards ceremony designed to honor those who weathered the challenges and were able to perform or produce LIVE Theater in a pandemic.
